School mission statement:

Pupils will learn:

- **about the world;** we believe in the entitlement of all our students to a broad, balanced and relevant education. To learn about the facts, processes, principles and interests of-
 - ❖ the natural world and environment, its wonders, and how to care for it
 - ❖ human society, technology and its artistic and spiritual responses and wonders.
 - ❖ their own options and choices as they grow and develop towards adulthood

- **to be effective in the world;** we will teach our students to optimise their success in achieving their goals in the world by teaching them the essential skills that will enable them to thrive in a changing world. Especially the skills of-
 - ❖ communication (including literacy) and working in a team including the basic human value of treating others as you would have them treat you; with **politeness**.
 - ❖ improving their own learning and problem solving including through **resilience, effort**, focus and thinking ahead.
 - ❖ learning the essential skills to optimise independence in adulthood at home and/or at work.

- **to be confident, caring, safe, citizens;** we will teach our students to be;
 - ❖ able to keep themselves and others **safe** by understanding and managing the risks of modern society including on-line and especially the dangers of grooming for sexual or extreme political motives.
 - ❖ kind, caring, aware of the needs of others and aware of, able and motivated to follow the laws and British Values of our society especially understanding that all humans are of **equal** intrinsic value regardless of disability, age, gender, race, sexual orientation or identity.: To take increasing responsibility for themselves and the effect that they have on others.
 - ❖ realise their own identity in which they can feel comfortable, confident and able to continue to develop, thrive and be happy. To have the **courage** to be **true** to their 'best selves': To learn to be true and kind to themselves through being true and kind to others.
